PLEASE READ THE FOLLOWING INFORMATION BEFORE COMPLETING THIS FORM

- You must be enrolled in the KPS Medicare Supplement Plan you have chosen for a period of three (3) consecutive months before KPS will provide benefits for any condition for which you received medical advice, treatment, medicine, or diagnostic testing during the three (3) month period immediately preceding your KPS Medicare Supplement contract effective date. This waiting period will be waived if KPS receives your application within six (6) months of you turning age 65 or your enrollment in Medicare Part B; or it will be reduced to the extent you had prior coverage under another Medicare supplement plan or other more comprehensive coverage, and you did not have a break in coverage of more than 63 days. Please provide proof of prior coverage with this application.
- If you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a contract to be issued by KPS Health Plans, please complete the enclosed "Notice To Applicant Regarding Replacement of Medicare Supplement Insurance or Medicare Advantage." Retain one copy for your records and return a completed/signed copy to KPS.
- You do not need more than one Medicare supplement contract.
- If you purchase this contract, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- If you are 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare supplement contract.

If you become eligible for Medicaid after purchasing this contract, the benefits and premiums under your Medicare supplement contract can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement contract (or, if that is no longer available, a substantially equivalent contract) will be reinstated if requested within 90 days of losing Medicaid eligibility.

If the Medicare supplement contract provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your contract was suspended, the reinstated contract will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

- If you are eligible for, and have enrolled in a Medicare supplement contract by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement contract can be suspended, if requested, while you are covered under the employer or union-based group health benefit plan. If you suspend your Medicare supplement contract under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement contract (or, if that is no longer available, a substantially equivalent contract) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement contract provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your contract was suspended, the reinstated contract will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a "Qualified Medicare Beneficiary" (QMB) and a "Specified Low-Income Medicare Beneficiary" (SLMB).

If you lost or are losing other health insurance coverage and received a notice from your prior insurer saying you were eligible for guaranteed issue of a Medicare supplement contract, or that you had certain rights to buy such a contract, you may be guaranteed acceptance in one or more of our Medicare supplement plans. Please include a copy of the notice from your prior insurer with your application.
