  - I have experienced a COBRA qualifying event and I am choosing not to elect COBRA.

## 8 Basic Terms of Enrollment

- 1) I understand and agree that this application is not an offer of coverage, and coverage does not begin until: a) This application is received, reviewed, and accepted by LifeWise and an effective date of coverage is assigned; and b) My complete and correct payment is received. Submission of this application does not guarantee I will receive coverage.
- 2) I understand and agree that this application becomes a part of my plan and to the extent that the application is inconsistent with the plan, the plan will govern.
- 3) I understand that this plan has a nine-month waiting period for pre-existing conditions. No benefits are provided for any medical condition for which treatment was received (or recommended), or for which a prudent person would have sought advice or treatment within the six months prior to the effective date of this plan. This waiting period does not apply to: Newborn and adoptive children enrolled after the subscriber's effective date of coverage as long as added within 60 days of the birth or placement, formula for treatment of phenylketonuria, and prenatal care (if the plan provides benefits for this). This waiting period may be credited or waived based on prior health-care coverage.
- 4) I understand that this plan will not provide benefits for organ and bone marrow transplants for a period of 12 months from the effective date of my coverage. This waiting period may be credited or waived based on prior health care coverage.
- 5) I understand that no benefits are available under this plan for services or supplies related to an inpatient confinement that began prior to the effective date of coverage, unless the applicant is an "eligible individual" as defined by Federal law.
- 6) I understand that acceptance for coverage is dependent on: a) Persons listed on this application must be residents of the state of Washington in order to apply for and maintain coverage under this plan; and b) No one listed on this application is 65 years of age or older and eligible for Medicare on the date coverage would begin. "Resident" means a person who lives in the state of Washington, and intends to live in the state permanently or indefinitely. In no event will coverage be extended to an applicant who resides here for the primary purpose of obtaining health-care coverage. The confinement of a person in a nursing home, hospital or other medical institution shall not by itself be sufficient to qualify such person as a resident. LifeWise may require proof of residency from time to time. Such proof shall include, but not be limited to, the street address of the individual's residence and not a post office box.
- 7) I understand and agree that only LifeWise may: a) Make or modify the terms of the application or contract; or b) Waive any of the LifeWise rights or requirements.
- 8) I understand and agree that this coverage is issued as individual health coverage, is not sold or issued for use as an employer-sponsored health plan, and is not partially or fully paid for by my employer either directly or indirectly.
