IMPORTANT STATEMENTS TO BE READ BY APPLICANT

- You do not need more than one Medicare supplement certificate.
- If you purchase this certificate, you may want to evaluate your existing health coverage and decide if you need multiple coverage.
- You may be eligible for benefits under Medicaid and may not need a Medicare supplement certificate.
- If, after purchasing the certificate, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement certificate can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement certificate (or, if that is no longer available, a substantially equivalent certificate) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement certificate provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your certificate was suspended, the reinstated certificate will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement certificate by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement certificate can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement certificate under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement certificate (or, if that is no longer available, a substantially equivalent certificate) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement certificate provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your certificate was suspended, the reinstated certificate will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

I wish to apply for a Medicare supplement insurance certificate. I represent that my answers and statements on this application are true and complete. I understand that, upon acceptance of the completed application, each applicant will receive a separate certificate. Initial Premiums Paid through Automated Clearing House (ACH)

Medicare supplement applications may have their initial premiums automatically deducted from their checking or savings account through the specific Electronic Funds Transfer (EFT) process identified as Automated Clearing House (ACH). When they do, you may fax the application and required forms instead of mailing them.

Follow these easy steps to submit Med supp apps using ACH for initial premiums:

Step 1 - COMPLETE THE AUTHORIZATION FOR ELECTRONIC FUNDS TRANSFER (ACH/BSP) FORM

Applicants wishing to pay electronically complete the appropriate Med supp *Authorization for Electronic Funds Transfer* form*:

T02_14 for Woodmen of the World

To Pay:

- Only the **initial premium** via EFT, complete the top portion as well as the account information on the Med supp *Authorization for Electronic Funds Transfer* form
- Both the **initial and renewal premiums** via EFT, complete the entire form, including the account information

Step 2 - FAX THE FOLLOWING ITEMS TO THE DEDICATED LINE FOR ACH PAYMENTS AT 1-866-422-9139

1. ACH fax transmittal cover sheet on the back of this form, T00_133_0110*
2. Med supp *Authorization for Electronic Funds Transfer* form, T02_14*
3. Med supp application and other required forms

Tips for Submitting Initial Premiums through ACH

- Do not send a signed check for the initial premium; clients could be charged twice
- Do not fax the forms more than once; additional charges could result
- If you fax the forms, do not mail them, too; processing errors occur and additional charges result

*In the application package

For producer use only. Not for use with the general public.

The applicant may select one of three payment options indicated on the back side of this form. Instructions for each option are listed below. With each option, the form must be signed and dated.

Option A: Pay all premiums (1st month and monthly renewals) by Electronic Funds Transfer (EFT).

Automatic Clearing House (ACH) is used for initial payment and **Bank Service Plan (BSP)** is used for renewal payments. When choosing to pay both the initial and monthly renewals by EFT, the applicant must complete the form and submit it with the application. **DO NOT** submit a signed check for payment under this option. To avoid potential delays in processing, submit a voided check and complete the account information (routing/account numbers, name of financial institution) on the form.

Option B: Pay 1st month by paper check and monthly renewals by BSP

When choosing to pay the initial premium via paper check and the monthly renewals by BSP, the applicant must complete the form and submit it with the application. A signed check for the initial monthly premium must be submitted with the application.

Option C: Pay 1st month by ACH and pay renewals by direct bill (monthly direct billing is not offered)

When choosing to pay the initial premiums by ACH and renewal premiums by direct billing (quarterly, semiannually, or annually), the applicant must complete the form and submit it with the application. **DO NOT** submit a signed check for the initial premium payment under this option. To avoid potential delays in processing, submit a voided check and complete the account information (routing/account number, name of financial institution) on the form.

When choosing to pay initial premiums by ACH, money will be withdrawn on the date the application is processed. This may be different from the monthly withdraw date selected for renewal premiums.

Payments cannot be postponed until a later date.

Payment from a third party, including any foundation, cannot be accepted.

All refunds will be made to the applicant in the event of rejection, incomplete submission, overpayment, cancellation, etc.

Please complete the Electronic Funds Transfer form accurately and in its entirety, making sure that all required information is correct and complete on your Electronic Funds Transfer form prior to submission. In addition, please make sure that the premium amount is filled in on the Electronic Funds Transfer form so we can initiate a timely and accurate withdrawal from your client's bank account.

An example of how to find correct Routing and Account Numbers on your clients' checks is included at the top of this form. Do not include the check number as part of either the Routing or Account Number. The applicant's bank name is normally included above the Memo line on the check.

WASHINGTON - Notice to Applicant Regarding Replacement of Medicare Supplement Insurance or Medicare Advantage

Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a certificate to be issued by Woodmen of the World. Your new certificate will provide thirty (30) days within which you may decide without cost whether you desire to keep the certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this certificate.

Statement to Applicant by Issuer, Producer or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement certificate will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement certificate is being purchased for the following reason(s) (check one):

If you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your certificate had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy or certificate until you have received your new certificate and are sure that you want to keep it.
